- One 2-pocket folder
- Band:** See the *Bay Trail Bands Connection* under Bay Trail Teacher pages for required materials specific to your child's instrument

Reading Lab: Not all students have reading lab, please check your student's schedule.

- 1" or 1.5" binder
- Index Cards

PE:

- Sneakers & active wear

Things to know about school supplies:

- Students will be able to carry backpacks for the 2022-2023 school year.
- Please have your child write their name on all supplies with a permanent marker at home.
- Supplies do get used up, so you will most likely need to replenish throughout the school year.
- The calculator listed is helpful for school and homework use. Calculators will be provided in the classroom as needed.

- The lockers at Bay Trail are 10 ½" wide and 11" deep. Trapper Keepers, 3" binders and wheeled backpacks do not fit in the lockers. Please keep this in mind when making purchases.
- Some students prefer a computer mouse to the touch pad. This would be an optional purchase.
- **Please note** – Individual teachers may require additional supplies specific to their subject areas.
